

Christ the Redeemer Catholic Schools is pleased to provide a new notification service for school bus delays and cancellations on our website. If your child rides one of our school buses please consider subscribing to this service. If you choose to do so you will receive notification via email or text if your bus is delayed by more than 10 minutes or routes are cancelled due to inclement weather. There is no fee to subscribe to this notification service.

To sign up follow the link to our transportation page <http://www.redeemer.ab.ca/Transportation.php>.

1. Click on one of the subscribe buttons on the left side of the page;
2. Choose your child's bus route # and enter your e-mail, or cell # and cell provider; and
3. Click on subscribe;
4. You can subscribe for both text and e-mail notifications if you want.

And that's it – it's pretty easy!

You can unsubscribe from the service at any time by entering the same information and clicking on unsubscribe.

If you are unsure of your child's route number please check the number in the bus window, ask your bus driver, or e-mail us at transportation@redeemer.ab.ca.

Southland Transportation does their best to contact families when delays occur, but they are not always able to make those phone calls due to competing obligations during their busiest times of the day. This automated notification system is being implemented to help notify families of delays in a timely manner, and we strongly encourage all bus families to sign up for this service.

If you move or change bus routes in the middle of a school year you can easily unsubscribe from one route, and if needed subscribe to a new route all within a few minutes.

At the end of each school year subscription lists will be cleared. You will be able to sign up for the service at the beginning of each subsequent year once new routes are finalized.

Your participation in this service would be greatly appreciated.

Thank you from the Transportation Department @ CTR Catholic

PS - You will still be able to access Bus Route information for all routes in your area by clicking on the picture of the bus in the top right corner of your school's website.
